If you suspect dog fighting, report it to the League

The League campaigns to **end cruelty to animals in the name of 'sport'** and this includes animal fighting.

Despite **being illegal since 1835**, dog fighting remains a significant animal welfare issue in the UK. It is **one of the most horrific forms of organised animal cruelty** not only for the violence the dogs endure during fights but for the trauma they suffer throughout their lives.

Contact Animal Crimewatch:

To report your concern, call **0300 444 1234** or visit league.org.uk/animal-crimewatch/report

We offer a reward of **up to £1,000** for information leading to the arrest and conviction of dog fighters.
