

Members' Motions to the League Against Cruel Sports' AGM, Saturday 14 September 2024.

As we head towards our 2024 AGM, our staff and Trustee teams are seeking motions from our Members. With your help, we can make our next AGM a truly progressive and clear-minded debate about the future of the League.

In order to submit a motion at the AGM we need from you the title, a brief explanation and a reason for your proposed motion by Friday 6 July 2024. This must not exceed 200 words. Please use the form on the reverse to do this.

Then you, as the 'proposer' of the motion, need the support of one other Member to be the 'seconded' of your proposed motion. Finally, to demonstrate that your proposal has the support of the membership and is accepted on to the AGM agenda, our by-laws state that you're required to collect the signatures of 1% of the membership*. Signatures collected need to be actual signatures from supporting Members for your motion.

If your motion is accepted, we'll also need you to join us at our AGM on Saturday 14 September 2024 to put your motion forward for debate and a vote.

*1% of the membership is 51 signatures. Members must not be in arrears with their membership payments. Signatories in support of the motion must provide their name and membership number. Proposers should collect the necessary signatures and submit them with the final version of their motion by the Friday 6 July 2024 deadline. There'll be the opportunity for Members, in advance of the AGM, to submit amendments to accepted motions.

Understanding motion submissions

There's a limit to the number of resolutions which can be properly considered at the AGM. We sometimes receive suggestions for motions that:

- cover the same ground or are confusingly similar
- are contradictory
- appear to be based on a misunderstanding or lack of knowledge of the policy of the League Against Cruel Sports, or
- are unclear.

If motions with the above criteria are submitted, they may not be considered at the AGM. If you have any questions, please do get in touch with us via email at supportercare@league.org.uk (including in the subject 'AGM motion 2024') or you can give us a call on **01483 524250**.
